Title: FaceTime Sex: Female T Male T Require: Limits: ; ; show:Hello again slave! Today I have a very, very simple task for you. wait:20 show:It's come to my attention that some of you are nervous to show your lovely faces in your photos... wait:10 show:Now this is far from ideal for me. Of course, I want as much embarrassing information on you as possible in case you mess up or try to run! wait:15 show:And what could be more embarrassing than a nice, big picture of your cringing, blushing face? wait:10 show:So, that's all this task is. Take a picture containing both your face, and the words 'Jennifer In Control', to unambiguously tie you into my little program. wait:10 show:Of course, you're welcome to just skip this one task- if you can tolerate the mood drop for failure! wait:10 show:Not to mention whatever other penalties my lovely moderators feel like inflicting... wait:10 show:And of course, this task will still be kicking around on the random list, just waiting to be selected whenever you hit that button... wait:15 show:Not to mention all the extra hassle hiding your face creates for every other task. All that awkward checking, making sure the camera is lined up just-right, straining to keep your head out of frame... wait:20 show:Yep, I'm sure it'd be better to just bite the bullet and show me that mug of yours! :) wait:10 show:Either way, I'm going to take a picture now. Either of your face- nice and clear and in the centre of the frame- or of... well, anything else, I don't really care! wait:10 button:Yes, Mistress show:Here we go! wait:2 show:5... wait:1 show:4... wait:1 show:3... wait:1 show:2... wait:1 show:1... wait:1 show:0! cam:1 wait:3 show:Got it! I hope you made the right call. See you soon... :)
