off clothespins from your nipples with a towel. How many rounds of that are
you required to do (one round means spanking off both clamps)?
  assign:requestedRounds:LASTASK
  log:The slave claims that $requestedRounds rounds of nipple spanking were
requested.
  if: $requestedRounds <= 0
    assign:requestedRounds:5
    show:It looks like you've accidentally entered a wrong number.
Unfortunately I don't know the correct number. You probably need to do at
least 1. But let's stay on the safe side and do $requestedRounds.
    button:Thank you, Runa
    log:Since this doesn't seem to be correct, Runa has corrected it to
$requestedRounds.
  fi:
else:
  show:SNAME, you were sent to me, so that I can oversee you spanking off
clothespins from your nipples with a towel. It was requested that you have
to do $requestedRounds rounds.
  button:Yes, Runa
fi:

image:taskimg/sets/runa/runa_red_lingerie_a6.jpg
show:Ok, then get a towel and 2 clothespins. It have to be actual
clothespins, no other type of nipple clamps! And also get completely naked.
```

```
I am naked, so you should be as well.
button:Got towel and clothespins
log:All videos have to initially show a nipple clamped with a clothespin.
Then the slave has to hit the clothespin with a towel until it comes off.

image:taskimg/sets/runa/runa_red_lingerie_a8.jpg
show:You may twist or fold the towel to make it easier to spank with it. And
you may also rub some lotion into your nipples so that the clothespins will
slip off more easily. But don't apply it too generously, the clothespins
shouldn't just fall off by themselves.
button:Rubbed in lotion

image:taskimg/sets/runa/runa_red_lingerie_b64_3.jpg
show:Let's start! Attach the clothespins to your nipples. You will now only
spank off the left one. Start with your left nipple close to the cam and
wait for my command. As soon as I give the command, you have 5 seconds to
hit the clothespin with the towel until it comes off.
assign:round:1
