show: Hello slave, You are not thinking of disobeying me, are you? wait:4 kimage:1 show: Maybe you should reconsider that? I have some veeery interesting pictures of you, don't I? button: Oh please, Mistress kimage:0 show: What do you think PNAME would have to say if I sent that picture? you think that is the kind of partner PNAME is looking for? a filthy pervert! ... Are you still having second thoughts about following instructions? button: No Mistress wait:3 show:Good, now that we have an understanding, lets test that resolve of yours slave. wait:3 show: Get naked and start rubbing your little clitty anyway you like, but no cuming understood? Tell me when you are on the edge. wait:50 button:Ready and horny mistress show: This is important, so pay attention slave! We will be playing a little game. wait: 3 Show:Here are the RULES! You may edge yourself anyway you want, BUT you will instantly put your hands behind your head and stand perfectly still as soon as you hear the bell ring and will stay like that until you hear the second bell, at which time you should continue to edge yourself. And yes, I will be checking. If you do not stand still, there will be punishment. If you are unable to control yourself and cum, you must take the punishment for cuming without permission. button:I understand mistress show: Good, now play with yourself where I can see your head and your privates. You have 30 sec to get in position and we will continue. wait:30 show: snap those clothespins on to your nipples slut! wait:5 cam:1 show: Good, now get yourself close to that edge again image: img/1487740642.dat show:Here is some eye-candy for you, look at that pretty pussy! Would it not be nice to just bury your face in there as she sits on you? wait:30 sound:bell.wav wait:10 sound:bell.wav show: Good, now get yourself close to that edge again...closer ever closer wait:8 show:if you reached your edge, you hold it!, you dont cum, go slower if you must but you dont back down! wait:20 image: img/1487741373.dat show: Imagine her gently inserting a finger in your ass, while pleasuring your clitty. wait:7 sound:bell.wav show: hands behind your head and DONT move a muscle. wait:3 cam:2 setupdiff:0 wait:15 camdiff:0 if:(TEMP1>7) show: You moved! Difference is (TEMP1) consider yourself denied for the next 24 hours slave. button: OK set denial: 24 hours fi: if:(TEMP1⇐7) wait:3 sound:bell.wav show: Good slave, now get yourself close to that edge one more time... wait: 30 show: feeling good are we? ...pull one clothespin off with you off-hand and squeeze and twist while you cum like the obedient little slut you are! go! wait:5 cam:4 wait:20 show: thats enough for today. button: Thank you Mistress fi:
