Title:red light green light
Sex: Female F Male T Trans F
Require: nochaste cancum
Limits: Orgasm
;orgasm control game by sissyjupe - maybe delete?
;
;Jupe 26/07 - This looks like an old version of the task when I was trying
(and failing) to get the WBUTTON command to work. I thought this task had
been added to the pool. If it has, then this version can be deleted.
;
;Stop and go masturbation game.
;Stop means stop. Go means go. Obv.
;But will you get to cum at the end?
;I dunno. S'all random, innit?
;
;Finally got loops to work with the 'cum too soon' button!
;Need to add more cycles to the game and different images
;Need to also randomise the wait times and add camera commands.
