Title:Wax Nipples Sex: Female T Male T Require: candle Limits: show:Okay slave, get naked! Stand there and wait when you're done... wait:60 cam:1 show: Now, go and get a candle, and something to light it with. button:Got candle show:Go ahead and light the candle. Then, hold it up for a picture. button: Take picture show: You now have 8 minutes to completely cover both your nipples in wax. I do not want to see any part of your nipples when this is over! If you finish before the time is up and want to earn some extra mood points, you might want to get creative with where you put the rest of the wax... wait:240 cam:3 wait:240 cam:4 show: How did that feel? Painful? Good! wait:60 show: Now I want you to position your wax masterpieces clearly in the middle of the camera. Then, just click the button to take a picture of your wax covered nipples.
