show:Okay slave, get naked! Stand there and wait when you're done...
wait:60
cam:1
show:Now, go and get a candle, and something to light it with.
button:Got candle
show:Go ahead and light the candle. Then, hold it up for a picture.
button:Take picture
cam:2
show:You now have 8 minutes to completely cover both your nipples in wax. I
do not want to see any part of your nipples when this is over! If you finish
before the time is up and want to earn some extra mood points, you might
want to get creative with where you put the rest of the wax...
wait:240
cam:3
wait:240
cam:4
show:How did that feel? Painful? Good!
wait:60
show:Now I want you to position your wax masterpieces clearly in the middle
of the camera. Then, just click the button to take a picture of your wax
covered nipples.
button:Take picture
cam:5
show:That is all for today- have fun getting the wax off!
