Weekly task for January 13 2017

This weeks task varies considerably depending on your settings but everyone should be reminded to keep their weight up-to-date and check your options as the new A.I. mood adjustments come in this week.

You may also be asked to pay your gym membership (pay via the tips link) if you like findom or go on a diet if your BMI is too high! Jennifer wants all her slaves looking good for valentines day
