Weekly task for April 07 2017

Jennifer

Its Poetry Month so this week, the task is to handwrite a poem for [Partner] / [Crush] / [Jennifer]. Mood points will be given for content, style and presentation. When complete, take a picture of it with your webcam.

Natasha

Jennifer is too soft! A poem? Well lets add to that! For this week you also have to set your limits average to at least 2.5 - I will remove 20 mood points for anyone I catch with lower from NOW. Best check your options fast…quick quick!
